Dr. Bassett began her career as valedictorian of her private middle school, graduated high school, and attended college at the age of 16. She graduated from the University of Toledo, Cum Laude with a degree in Biology. At the age of 19, Dr. Bassett attended the Ohio State University College of Dentistry and became a dentist at the age of 23. She has been in private practice in Scottsdale, Arizona where her focus is on cosmetic and complex rehabilitation cases. She is Vice President and the only Accredited Fellow of the American Academy of Cosmetic Dentistry in Arizona. She is an Associate member of the American Academy of Esthetic Dentistry, a KOIS mentor, an active member in the Academy of Fixed Prosthodontics and a Fellow and Past President in the Arizona Academy of General Dentistry. She is adjunct faculty at the Arizona Dental School where she teaches the Aesthetic Continuum and is the founder of Women Teaching Women Cosmetic Learning Facility. She was voted top 5 female CE educators, a national lecturer, published author and is a member of the editorial board of several peer-reviewed publications. She is a recipient of the volunteer dentist of the year award for Arizona CASS dental clinic and has received the Give Back a Smile volunteer service award twice.
